SUBJECT: Interface Between DD/S&T and USIB
COMOR Committee

1. The COMOR Committee of USIB addresses itself, in the field of requirements, to at least two significant areas of DD/S&T operational activities, i. e., photographic and SIGINT reconnaissance.

2. The Directorate has need to reflect its interests and contribute an in-put to COMOR from two different points of view. One represents the aforementioned operational responsibilities and the other is in direct support of [redacted] role as the Agency "SIGINT Officer".

3. In order to reflect through a single Directorate staff system both of these interests, it has been determined that [redacted] will be responsible on behalf of the Directorate as well as his own personal delegations, for the interface with COMOR. He will be primarily assisted in this matter by [redacted] and, as the occasion may demand, will directly task any of the staff elements or operating components of the Directorate.
